WOMEN

A new National Project at SRCHC! ❖

The goal of the project is to publish a document outlining effective ways, which have been used across Canada, to increase screening and awareness around breast, cervical and colorectal cancer. We hope to improve screening rates in hard-to-reach communities. This project is funded by the Public Health Agency of Canada, those involved include:

- South Riverdale Community Health Centre
- Centre for Independent Living of Toronto
- Mount Sinai Hospital-Marville Koffler Breast Centre
- The Korean Canadian Women's Association
- Toronto Public Health
- Sunnybrook Odette Cancer Centre
- Cancer Care Ontario
- Canadian Cancer Society

Contact: Nichole ext. 348
nmolinaro@srhc.com

Call (416) 461-1925 for more information

All programs are FREE to those living in the South Riverdale area
