

# Women's Health Screening Clinic

at  
South Riverdale  
Community Health Centre  
955 Queen Street East, Toronto

## A nurse practitioner can offer you women's screening services if:

1. You are our client, member or living in the Riverdale area, and;
2. You have difficulties finding a female clinician that will do a breast examination and a pap smear.

## The Clinic:

- Is open two dates each month
- Is by appointment only
- **Is FREE**
- Offers exams by female practitioners
- Offers interpretation services

*Cancer Care Ontario suggests women:*

*\* continue breast screening to the age of 74 .*

*\* repeat pap test once every 3 years, unless there is an abnormal pap in the previous years.*

**Book your appointment now!**
