

A great big THANK YOU to the Rotary Club of Toronto!

In May, the Rotary Club of Toronto provided Harmony Hall, an SRCHC program, an extremely generous donation: a new 2021 Honda HRV!

Their continued support enables our transportation team to provide safe and affordable rides to East York seniors for their medical, social and program needs. We are grateful for this wonderful gift!

For more information or to register for the transportation service, please call Cindy or Lisa at Harmony Hall (416-752-8868).
